

Message from Dr. Punamchand Bawankar President, IMA Bhandara

First of all congratulations to IMA Bhandara branch for launching of this website.

It gives me immense pleasure to acknowledge the task.

IMA Bhandara is in the upfront in each and every activity whether it may be social, health related or cultural. Each and every member of the branch actively participates in each and every programme.

I am glad to be a part of this association as a President since last one year.

It's my humble and sincere request to all the non-IMA members to be a part of this association so that they could contribute their valuable services to the community through various programmes of the Central and the State IMA.

Thanks & Best wishes.

Dr. Punamchand Bawankar
President IMA Bhandara
