

PLEDGE

I _____ pledge that I will not undertake any tests / medical procedures to determine the sex of the unborn child.

As a medical professional, I pledge that I will not partner in sex selection directly or indirectly.

I record my protest against persons who illegally seek to know and medical professionals who illegally determine the sex of the unborn child.

I will provide to the concerned branch of IMA information on colleagues who practice sex selection and discourage them from indulging in this practice.

I will fully abide with the provisions of the PCPNDT Act including maintenance of all necessary and complete records in a transparent manner.
