

**Message from Dr. Parthiv Sanghvi,  
Hon. Secretary, IMA Maharashtra State:**

It gives me immense pleasure to write for IMA Bhandara. My recent visit to Bhandara brought me close to old friends and made several new ones. IMA Bhandara though a medium branch is extremely vibrant. The plethora of activities being undertaken by this branch speaks volumes of it's skills. Be it academics or social activities, members of IMA Bhandara are always at the forefront. With a lovely premise under it's fold, IMA Bhandara has really come up in a nice way. And now the only fact to lament is that not enough members from this vibrant branch are participating at the State level. With such hardworking members under it's fold, it is not far when we will see IMA BHANDARA shining high on the map of IMA MAHARASHTRA as well as IMA HQ.

Thanks
